

# Uniguest P2 Media Player.

**Cost effective 4K IPTV  
media player, ideal for  
Uniguest's Interactive  
Hotel TV solutions.**

## Key Features

IR or RF remote control

HD & 4K video resolution

H.264 & H.265

Fully encrypted multicast IPTV

1GB RAM

Multi-country regulatory approvals

A solution that is delivered as part of Uniguest's Digital Engagement Platform, the Uniguest P2 has been optimised for delivering Uniguest's Tripleplay Interactive IPTV Portal, a customizable and flexible technology for delivering live broadcast TV streams, in-house channels, video-on-demand content and mobile casting capabilities.

With full 4K video resolution, Power Supply Unit (PSU) and HDCP 2.2 encryption, the Uniguest P2 has the core functionality needed in residential environments.
